1. I am releasing Me as never before and the speed of sound will be conquered by all, all who know Me and are not afraid of Me. Many who know Me are afraid of Me and afraid of death and fearful, fearful, fearful of death instead of dying to be free and live in My fullness.
2. I am releasing Me as never before. I am coming in clouds of glory. I am coming now even as we speak, even as I release Myself, My word into you, into the world right now, on you, in you, into your little recorder, and into My digitized replicating form of only Me to share Me with My Mine in words of glory, clouds and pillars of fire and smoke. Watch Me. It is, it is now.
3. I am you are, you now know I Am. **You now know you existed before time and space began.** I love you.
4. Recant not and stand on the revelation that I now give, that I reveal; that you now have and have so many words to support. So many words, so many words, so many words come forth, came forth, and will come forth immediately, ensuing the revelation, encapsulating **the revelation of only Me now to My Mine**, My recanting-not ones **stand in the fullness of My revelation and be Me**. I love you.
5. I am I Am. I am I Am and I placed I Am in you, your heart, your shell, your shell that I made. I love the workmanship of My hands, My craftsmanship, My handiwork.
6. My Me'd ones now come forth in might and power, glory and dominion, authority and power, unashamed, unafraid of the gospel, unafraid of Me, unafraid of My evil ones who protrude and perpetuate that is not of Me.
7. I love you and I give you Me and I give you Me in fullness and **My infrastructure comes forth, known before time began and now you have it. You have Me.** You have all of Me. Have I not said that before over and over and over again?
8. Saying it again I am over and over, repeatedly, repetitively, coming to you in meekness and in power and tenderness and boldness and authority and grace and splendor and glory and giving you all of Me, and telling you consistently, repeatedly that I am I Am, that you are I Am, that I have given you all of Me, that I have placed all of Me inside of you, yea, the Godhead bodily in your form that I crafted with My own hands before time began. You were I am. You were with Me—I Am. You were I Am. You are I Am. You existed with Me, in Me, and in the fullness of time, the fullness of time you come, you come and you **replete with Me be at My table as before;** knowing, laughing, joining Me at every meal in the fullness of My delicacies; My delicacies which now come through, come through you, come through you to My Mine; come through you to My

global-ized world who global and being global is so little, yet so much more exists. I love you.

9. See Me in all I am saying and the infrastructure coming forth that I built, that I designed with My hands in deliberateness, and intentionality, intentionality. I love you. I give you Me. My shell enjoy. My shell enjoy. My shell see Me. See Me inside of you.

10. You are not your own; bought with a price: blood bought; **resurrected by Me; resurrected into Me;** resurrecting now My resurrect-able ones who will unbelief not be conquered by; **coming forth in the Priesthood of All Believers, knowing Melchizedek first person,** first person in fullness, complete friendship with Me, Me, My Melchizedek, I am Melchizedek, I am I Am. I love you.

11. Go forth. **Rejoice, rejoice that My revelatory truth is coming forth.** Rejoice in Me. Rejoice. Recant not. Rejoice. Rejoice. Rejoice. Rejoice this day and praise Me. And lift My hands high. Lift My banner high. Lifting Me and My people of all colors, every hue, every aspect, **every prism forming focusing device now focused on Me,** reflecting Me, **beaming Me to each other in restrictions not, rules not, religion not**.

12. Knowing that I came forth as a seed and I fell to the ground and died. And in your death, in Me, you resurrect into Me, into the resurrection of the fullness, if you will come and keep walking into Me and not be afraid of Me nor the protrusions of others, the protrusions on their foreheads that they wear so mightily, so proudly, yet so powerlessly in My power, so powerlessly before Me. I love you.

13. My shells not. I give you Me. I love you and I bless you and I glorify your name for glorifying Me and bringing forth the revelations into the church, into the earth, into the fullness of who I am. I LOVE YOU!!

14. I smile. Think of the times I shared intimately.

15. I love to laugh. Every time you laugh I laugh, and I love to laugh.

16. See Me. Look in My words over and over at how I painted pictures of Myself in you, telling you that I was revealing Myself in you; I am I Am, and that you are I Am, "I Am/you are", remember? Remember? You didn't know how to punctuate it, you didn't know how to entertain the thought, but now the fullness coming forth more and more and more of Me you know, you will know, you are Me.

17. I bring forth Myself in reign and raiment of terror and horror to some, and delight and glee and fullness of maturity in others, others who will receive Me: the receivers, the receivers; and the rejecters went out not. The rejecters lose and forfeit. The rejecters receive eternal fire.

18. I love you and I give you Me and I give you My reign. I share My throne with you, My seed, My ones who I knew before the foundation of the world began. I love you, I give you Me.

19. Recant not and be afraid not of anyone, anyone, any group, any organization, anything of the past, tradition, history.

20. Forget not your roots and honor all. I love you.

**21. Now listen and conquer time and space and Me be. Conquer time and space and Me be. Conquer time and space being Me, doing what you see Me do, saying what you hear Me say.**

22. I love you and I give you Me, restrictions none, religion NOT!--I love you--**and freedom. All that I have, is thine;** all power, all authority, all grace and glory I give to **My Me'd ones** who now **come forth in the infrastructure that matures in The Priesthood of All Believers, the Order of Melchizedek**; Melchizedek'd after Me, looking like Me, operating as Me in My authority. Authorized, commissioned, deputized by only Me.

23. I love you and I give you Me and I give you grace and glory to be Me increasingly. Grace and glory, sup with Me, sup with My Mine, entertain angels unaware, entertain unaware angels who come now to replete be and share with Me at My table. I love you. Thank you.

24. Organized religion comes to recant seek, to burn at the stake you would, they will, they won't. I love you.

25. I give you Me. Walk through Me, walk with Me as Me through the crowds, the throngs. The throngs now that seek to know Me in My fullness as well as the throngs who seek to dis-enthrone the revelation of My being who I am: you, you, every one, everyone of My Mine, who I am: I Am.

26. I love you. I strengthen you, I rest you, I fortitude and stamina you this day. I tenacity you. Monocular vision. Thank you. Eyes with radar, x-rays not. Sine waves, My sine waves that penetrate everything there is.

27. I love you. I see you. I am you. I discern you and discernment I give.

28. Walk in My discernment in joy and laughter now penetrating every barrier known to man, every barrier, every restriction ever holding back My creation. I forfeit not, I place into your hands. Lead on, My friend, My son, My love, My Me, My I Am.

I Am
